

# Match The Fungi

Can you identify the fungi correctly?  
Draw a line between the picture box and the description box.

## Jelly Ears

Brown/Red in colour.

Darker colour on the outside  
and lighter colour  
underneath.

Look like small animal ears.

## Smokey Bracket

Fan or shell shaped. The  
edges are usually white.

Other colours such as  
brown and black can be  
seen.

## Sulphur Tuft

Small with yellow and  
brown rounded caps on  
the top. Grow in bunches  
or clusters.
