

FOREST SCHOOL NEWSLETTER

SEPTEMBER

This month the children have been enjoying learning about the autumnal changes outdoors. They have been using their autumnal checklist to see what they can find. They have also been exploring the conkers and pine cones we have received from the competition.

We've been getting arty and crafty again in Forest School this month. Here we made a unicorn for one of our preschoolers using clay and other natural materials we found. Some of the other children got a ladybird and a snail.

FOREST SCHOOL NEWSLETTER

SEPTEMBER

The children have been identifying and mixing up the wooden letters in Forest School this month. We have been singing the alphabet and spelling out their names.

As always, the children have been challenging themselves to make daring obstacles and have been fine tuning their proprioception skills!
