

FOREST SCHOOL NEWSLETTER

OCTOBER

This month the children have been using their tools to make more crafts and toys out of natural autumnal materials. The preschoolers had a go at making this car with a stick and conkers for wheels.

The children have been having a go at choosing their favourite leaves. Looking at the different colours, shapes and textures. Not to mention having fun crunching them underfoot.

OCTOBER

The preschoolers were very excited to make their wooden clock this month. They used the hand drill to make holes in the clock hands which they made out of sticks and used the stubby screwdriver to screw them in.

Lots of culinary delights in the mud kitchen this month. The children have enjoyed foraging for different coloured leaves, conkers and pine cones.
