

FOREST SCHOOL NEWSLETTER

SUMMER EDITION
PART II

We were really excited to be able to host the babies' Forest School Stay & Play this month and it was great to meet so many of you. We hope you enjoyed your time and we hope to see you back with us again in the future.

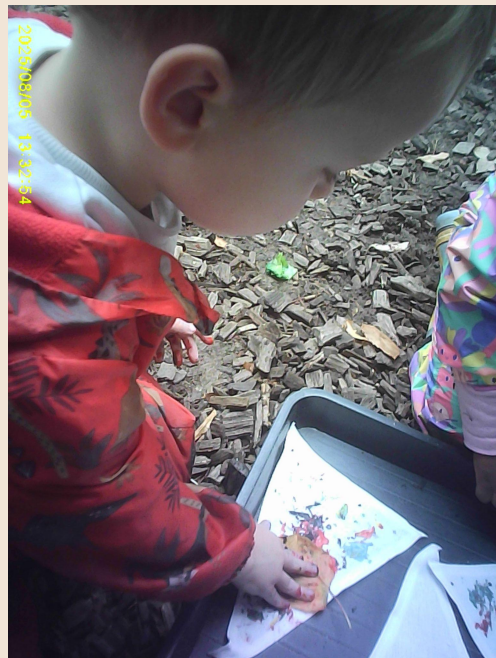

We were very pleased to be able to receive lots of branches and twigs from our neighbours at the casino this month after their tree surgeon's visit. The children have been enjoying adding to their den and even helped trim them down with the loppers and secateurs.

SUMMER EDITION
PART II

The children had another opportunity to do some leaf painting on their fabric bunting which we will be hanging up in the Forest School once they're all completed.

The toddlers and preschoolers were delighted to discover that apples had fallen from the apple tree in the school garden. We took this opportunity to cut them up and use them in their summer dishes in the mud kitchen.
