

FOREST SCHOOL NEWSLETTER

NOVEMBER

The children had the chance to go on an autumnal walk this month. They enjoyed exploring different textures and seeing the bright coloured leaves everywhere.

We've had lots of fun in the mud kitchen this month, especially with the babies who have been splashing about and mixing culinary delights!

FOREST SCHOOL NEWSLETTER

NOVEMBER

The children enjoyed having a few campfires this month to keep them warm on particularly cold days. We have been enjoying making fire baked apple crumble!

The children have also been enjoying using their new tools. The leaf rake, wheelbarrow and garden rake. They used them to collect all the leaves in Forest School.
