

FOREST SCHOOL NEWSLETTER

JANUARY

The children have been enjoying baking and cooking on the campfire this month. We baked Bannock bread and they also had the opportunity to see popcorn pop over the fire.

The preschoolers are enjoying using their new ladder made from willow branches and twine.

FOREST SCHOOL NEWSLETTER

JANUARY

The children had the opportunity to do lots of fun activities in the snow including: making angles, drawing with sticks, sliding on the sledge and smashing ice from the pond

With all the wet weather we have been having, the children have been upcycling and making their own boats out of used milk cartons, sticks and leaves. They have tested them out in puddles and in the pond.
