

FOREST SCHOOL NEWSLETTER

MARCH

This month the children were treated with pancakes that were cooked over the campfire. They really enjoyed watching them being made and flipped before eating them all up!

All the children have been getting stuck in with sowing seeds and planting potatoes and garlic this month. Watch this space!

FOREST SCHOOL NEWSLETTER

MARCH

There's been lots of den building and tree climbing in Forest School. The children enjoy taking their outdoor cushions and blankets into the wooded area and creating their own hideouts and creating tea parties.

Take a look at the children's spring decorations which they have been making out of clay and dried flowers.
