# Getting Ready for School

Join us for our  
Open Stay-and-Play  
Saturday 22nd June 2pm - 4pm

Starting school is a very exciting time for children and their parents, but it can be a bit daunting too. Finding the right school for your child requires careful thought and research. Not only are you considering what is best for them in the near future, but also over the next 7 years. And you're bound to have a list of questions, especially if you're a first-time parent!

**What new things will my child encounter when they start school?**

**How will my child cope in a school setting?**

**How will the school meet my child's individual needs?**

**How can I be involved in my child's education?**

Over the past 90 years, we have encountered these and many other questions time and again. As a small school which is focused upon delivering a bespoke service, we're always available to discuss any aspect of your child's future education. However, we'd also like to offer you and your child an interactive experience of school life. An opportunity for you both to engage with our curriculum and get a real feel for what school is all about. Whilst Open Days and tours offer valuable insights into a particular school, spending an afternoon with your child in the school environment, and experiencing first-hand how we care for and educate them, will give you a much better understanding of what lies ahead.

On Saturday 22nd June 2024 between 2pm and 4pm we will be offering a carousel of teacher-led activities for you and your child (aged 2 to 4 years) which draw upon the School's curriculum and emphasise creativity and exploration. During these activities you'll have the opportunity to interact with and ask questions of our Early Years teachers and Headmistress, and our Year 5 & 6 pupils will also give you a guided tour of the School.

Please contact the School Office using the details below to book your place.

We look forward to welcoming you to Norfolk House!
